

## Clarification No. 2

Dtd. 25/07/2024

**Tender Package Name: "Empanelment of EPC contractors for Transmission line and AIS/GIS Substation projects under fourteen (14) categories."**

No.	Description of Clause	Bidder Query	Response
1	<p><b>Amendment No. 2, Sr. No. 5, Chapter-4 General Terms and conditions</b></p> <p>4. If any Empanelled agency fails to submit price bid during limited tender stage, it shall be counted as 1 instance of non-compliance. Agencies shall be liable to be de-empanelled for 4 cases of such noncompliance.</p>	<p>4. "We refer Amendment –II, wherein it has been mentioned that If any Empanelled agency fails to submit price bid during limited tender stage, it shall be counted as 1 instance of non-compliance. Agencies shall be liable to be de-empanelled for 4 cases of such noncompliance.</p> <p>As empanelment for Transmission Line and AIS/GIS substation projects are under FOURTEEN (14) categories, we understand that the aforementioned clause will be applicable category wise only. This means that agencies may lose their empanelment status after four instances of noncompliance under that particular category. The bidder will continue to remain empanelled under other categories. Please confirm."</p>	Confirmed

2	<p>Amendment No. 2, Dated: 08.07.2024  Sr. No. 2, 3.1 Technical Criteria,  Clause No. E: Substation Works - For Category H (GIS substation excluding 765kV transformer and 765kV Reactor) &amp; Category L (AIS substation excluding 765kV transformer and 765kV Reactor) prospective agency shall have constructed new complete 400kV GIS/400kV AIS or above voltage class successfully commissioned in at least 2 different projects out of which one should be AIS in case of AIS works and GIS in case of GIS works on Total Turnkey basis in the last 7 years preceding the date of issue of EOI, which should be in successful operation for minimum 1 years as on date of issue of EOI.</p> <p>Sr. No. 3, 3.2 Financial Criteria,  Clause No. G: 400 kV GIS Substation Including Transformer:  iii. Bidder should have successfully executed "At most two similar works costing not less than INR 74.31 Cr." as mentioned in 3.1E. above during last seven years.  Clause No. K : 400 kV AIS Substation Including Transformer:  iii. Bidder should have successfully executed "At most two similar works costing not less than INR 58.31 Cr." as mentioned in 3.1E. above during last seven years</p>	<p>As stipulated in Amendment No. 2, 3.1 Technical Criteria (Clause E), the prospective agency having experience of 400kV GIS/AIS or above voltage class substation is considered as qualified for Category H and L i.e. 765kV Voltage Class GIS and AIS Substation.</p> <p>Therefore, we understand that the financial criteria outlined in Clause No. G &amp; K, pertaining to 400kV GIS and AIS substation, are also applicable and acceptable for 765kV Voltage Class GIS and AIS Substations.</p> <p>Kindly confirm.</p>	Confirmed
