- a. Employee Data Master;
- b. Employee Attendance (Input from Bio Matrix / Auto operation system);
- c. Linking of approved Tour / Out of office with attendance;
- d. Generate the organization Structure (Reporting Structure) as per the Employee Data Master;
- e. Leave Control of staff;
- f. Job Application Data Base.

Based on the above Scope of Work, the selected agency is required to ensure the following:

- The application development shall be Web Based. However, responsive in Mobile (Android, iOS, etc.) platform.
- The application shall be accessible with 01 Master Login & Multiple User (Employee) Login's.
- The total scope of work shall be developed in one application package with required & relevant upgraded features required for smooth application functioning.
- The application shall have features to sort data/ search fields to view the stored data from database.
- The application shall have feature to generate E-mail/SMS to the person responsible for particular (one / multiple in charge) assignment/ milestone.
- All the reports & documents shall be Printable & ready to download form.
- The application shall have necessary security codes/passkey as per statutory norms to strictly avoid any data loss / data security lapses.
- To complete application shall be developed in English language only.
- Provide training to the RECTPCL / User personnel to operate the application in order to achieve the desired outcome.
- Development of above mentioned Application & Online platform along with Installation, Commissioning, Data Import, Performance tuning, User Manual and Training Material.
- To offer Warranty, 01 (One) years as per NICS Terms & Conditions - Comprehensive Post Production Support as per the following terms:

Comprehensive Post Production Support	One-year comprehensive post production support (PPS) after Go-live. During the PPS period vendor should be responsible to fix any updates, security patches, bug fix, etc. The PPS period will start from the date of successful acceptance of the application.
---------------------------------------	---

- The bidder shall provide technical support over telephone & Email from 9:30AM to 6:00 PM for a period of 01 Year after successful acceptance and Go-Live of application.
- Any other system/integration that is required for meeting the objective of this project.

Note:

To achieve the above objectives, the selected bidder needs to arrange the following information from RECTPCL:

1. RECTPCL shall facilitate the exchange of information/data of various projects being implemented by RECTPCL. However, wherever required, the selected vendor will have to co-ordinate with Departments of RECTPCL (Technical / Finance / Administration/ etc.) to ensure smooth uploading of the data on to the application platform.

2. The selected agency not only need to create all the user accounts but also help the user / employees to use the admin dashboards developed by the agency.
3. RECTPCL shall procure and provide SMS /call gateway for dissipating alert information to the Employees across India (Wherever RECTPCL staffs have been posted across India). The selected agency has to integrate the SMS / Email package procured by RECTPCL to successfully achieve the objective of the assignment.
4. During development the vendor has to host the application on its own servers. For staging and production build the vendor shall deploy the application on NIC's cloud infrastructure that shall be arranged by RECTPCL.

Other requirement/features of the assignment:

- ✓ Design, Develop, Implement, Install, test, publish and roll out of the developed Web application.
- ✓ The detailed architecture of the application (Back end as well as Front end) to be reviewed by the RECTPCL and sign-off before the development work starts.
- ✓ All server side software to be developed on top of opens-source platforms/framework and database server should be MySQL/PostGRES server.
- ✓ Open source packages/software's to be used for the load balancing, SMS queue management, database optimization and web server.
- ✓ All web based dashboards/interfaces should have responsive UI and must render well on all modern web browsers and different screen sizes. The responsive UI should adapt itself to the orientation and screen size of the mobile devices as well.
- ✓ Structure overall content to make it screen reader friendly.
- ✓ The solution architecture should be able to address the future scalability requirements, in terms of both application (to add new services) and infrastructure and back end (adding more users).
- ✓ Vendor should provide Security Audit vulnerability clearance certificate from Cert-In empaneled agency before hosting a Web and Mobile Application without any extra cost to RECTPCL.
- ✓ The application should be hosted in SSL environment (https).
- ✓ Supply, Install and Configure the SSL certificate for the application by the vendor without any extra cost to RECPCL.
- ✓ The platform should support HTTPS communication channel to prevent data leakage and maintain information integrity and privacy.
- ✓ The platform should support predefined security configuration to protect web and mobile applications resources against XSRF attacks.
- ✓ The platform should support user certificate provisioning for client-side authentication.
- ✓ The solution should enforce network level security, traffic to be encrypted using secured connectivity.
- ✓ During and after the application development phase the source code must be committed/updated to the git repository on regular basis and the access to the git repository to be provided to RECTPCL.
- ✓ During the PPS period the vendor must keep the web applications compatible with the new versions of the operating systems as well without any extra cost to RECTPCL.
- ✓ The source code must be optimal, efficient, properly commented and well structured.
- ✓ Provide a detailed:

- Architecture document
 - Requirements specifications document.
 - Database design document
 - API document
 - All Other relevant documents/details required by RECTPCL.
- ✓ The Public API definitions must be maintained on a publicly accessible web page
 - ✓ The internal API definitions must also be maintained on a web page accessible post authentication.
 - ✓ Provide a detailed functional design documents together with detailed functional, nonfunctional and technical specifications of the proposed solution; use case and work flow/activity diagrams considering the integration with back end systems and the integration with any other services.
 - ✓ Provide technical documentation: requirements, design, architecture, installation, configuration, etc.
 - ✓ Deliver and provide handover the source code and any additional software components that are developed to fulfill the project requirements.
 - ✓ Provide low-level technical architecture describing connectivity, high availability and security.
 - ✓ Provide the list of deliverable for the System Implementation including the needed documentation.
 - ✓ The development platform and application server should be using latest and widely used open source technologies.
 - ✓ Training services and support at RECTPCL Head Office as per requirement of RECTPCL.
 - ✓ The solution should be designed with redundancy in mind to ensure NIL impact by failure of one or more components / servers or software.
 - ✓ The vendor will provide support for troubleshooting and enhancements in the services till the warranty period.
 - ✓ All required support & services for implementation, smooth operation and maintenance of all the components of the Web Platform developed/to be developed will be part of the Project.
 - ✓ The vendor will have to include version upgrade and enhancements in services on account of industry dynamics as a part of the Annual Maintenance. Any development work of such type will be carried out by the technical team of vendor at no extra cost.
 - ✓ Training to be provided by the bidder to user department on the overall work flow of the developed application and back end administration at no extra cost as per requirement.
 - ✓ Application should be easily customizing and easy to administer the Database.
 - ✓ Continuity Measures, risk management plan for the continuity of services, application & data backup policy, business continuity plan.
 - ✓ Identify Risks if any post App implementation along with mitigation plan.
 - ✓ The response time of all APIs must be less than 10 seconds.
 - ✓ Should follow Change Management/Change Request process.
 - ✓ Proposed Dashboard should support each of the following browsers i.e. Internet explorer, Chrome, Firefox & Safari and mobile devices.
 - ✓ Dashboard shall take into consideration, best practice for web security. Efficient, fast loading web interface will be a key usability criterion and drill down.
 - ✓ RECTPCL may designate contact person for the project to coordinate with the Solution Provider and to provide the required scope of work and any other information as required.

- ✓ The bidder must deploy required personal during training and PPS period to achieve the objective of the assignment. Besides this, there must be a technical support available to RECTPCL / Users for any minor issue resolution over phone.
- ✓ Any minor change/ modification in the application/ portal shall be carried out by the selected agency without any additional financial implications to RECTPCL during PPS period.

Performance/Progress Evaluation

- 1.0 The Bidder is required to submit the Time Schedule/Plan of implementation of the assignment. The Time Schedule/Plan should be prepared in such a way that work may start immediately after the issuance of work order as per scope of work/requirement of RECTPCL including supply/installation of application shall be completed within 2 months from the date of issue of work order. Agency shall propose adhere to the milestone targets defined in the table in the Deliverable and Time lines section in this document to complete the work within the budgeted time and cost.
- 1.1 The agency concerned shall also provide Name/Contact Nos./Email IDs of all Key management officials.
- 1.2 Completion of assignment in time is most important element of the contract. The progress of work shall be evaluated on weekly basis vis-à-vis proposed milestone target for execution of work. Submission of quality inspection reports will be the criteria with which the progress of the work will be measured.

Time lines:

Time line for implementation:

Sl. No	Phase	Time Duration	Activity
a.	Stage I	Within 50 days of issuance of work order	Development of all the deliverable (as per scope of work) and its testing.
b.	Stage II	Within 60 days from issuance of work order	Bug Fixing, hosting of the application in Live Server & Go live of system.

A system will be considered “GO Live” as once it will achieve its full functionality, as described above, and is made live & functional.

Note: At each stage as desired by RECTPCL, the agency shall be required for interaction and attend review meetings/ make presentations to RECTPCL. The agency shall work in close co-ordination as may be required for satisfactory completion of the assignment.

RECTPCL shall conduct weekly progress review. Bidder shall submit time lines within the defined milestone (submission within 07 days of award of contract) to RECTPCL for approval. As the timely delivery of the project is of utmost importance, the bidder must adhere to the approved weekly plan in order to be able to deliver on time.

A. PREPARATION & SUBMISSION OF BID PROPOSALS

- Technical Bid is to be submitted on line and the relevant documents duly sealed and signed may be uploaded as attachment and the hard copy of the same has to be submitted to RECTPCL before the last date of submission of bid.
- The documents should be complete in all respect and must be free from any ambiguity, cutting, and use of correcting fluid or overwriting.
- An authorized representative of the firm shall initial and stamp all pages of the bid proposal. Authorization letter for signing the proposal/tender documents should be attached.
- The Financial Bid (Effort Estimation) has to be submitted online only. If the financial bid (Effort Estimation) is submitted in physical form, the bid will be out rightly rejected.
- For preparation of Bid Proposals, Bidders are expected to examine the bidding document in detail and it is the Bidder's responsibility to ensure that the information provided is adequate and clearly understood.
- If the bidder fails to submit the requisite information/clarification, if sought within prescribed time, the bid shall be treated as non-responsive bid and shall be rejected.
- The bidders are requested to submit their competitive offer as per requirement along with all the requisite documents duly signed as a token of acceptance of the Broad Scope of Work, Terms & Conditions and E-bid process.
- The envelope shall be addressed to;

Addl. CEO,

REC Transmission Projects Company limited

ECE House, 3rd Floor, Annexe – II, 28A,

KG Marg, New Delhi- 110001

Tel: 011-47964696, Fax: 011-47964747

- Late submission of Bid Proposals, for whatsoever reasons, after the due date and time for submission shall not be considered. Offers sent by Fax/e-mail etc. will not be considered.
- The costs on account of preparation of bids, discussion etc. as may be incurred by the bidder(s) in the process of finalization of the contract are on account of Bidder(s) and RECTPCL shall not reimburse either in part or in full the cost so incurred.
- RECTPCL reserves the right to reject any or all of bids, wholly or partially, without assigning any reasons whatsoever.
- The bidding documents shall remain the exclusive property of RECTPCL without any right of the bidder to use them for any purpose except bidding and for use by successful bidder with reference to the work.
- Technical bid shall be opened at the scheduled time and date as mentioned in the bid document in the presence of such bidders or their authorized representative who choose to remain present. A maximum of two representatives for any bidder shall be permitted and authorized to attend the bid opening.

- Further, if the due date of receipt of bid as aforesaid is declared holiday, bid would be received on schedule time on the next working day.
- Alternative Bids shall not be considered.
- Financial Bids of the technically qualified bidders shall be opened on other date & shall be duly notified to all the qualified bidders.
- RECTPCL reserve right to ask to submit any document if desired so at any stage & also the right to verify/confirm all original documents & failure to produce the same within the period as and when required and notified in writing by RECTPCL shall result in summarily rejection of the bid.
- Engagement with RECTPCL does not confer any right to the agencies to be invited for participating in any bids, tender etc. floated by RECTPCL. RECTPCL reserves the right to call bids/assign work/ associate the agency(ies) in any area as may be deemed fit by RECTPCL depending upon the profile provided by the agencies and requirement of assignment
- Acceptance of the application(s) constitutes no form of commitment on the part of RECTPCL. Furthermore, this acceptance of the application confers neither the right nor an expectation of minimum order within the proposed project.
- RECTPCL reserve the right to accept the whole or its part of part of any responses with any short fall at its sole discretion.
- RECTPCL reserve the right to call for fresh tenders/financial bid invitation at any stage and /or time as per the present and /or envisaged RECTPCL requirements even if the tender is in evaluation stage or in any stage.
- RECTPCL reserve the right to modify, expand, restrict, scrap, re-float the tender without assigning any reason for the same.
- Consortium and joint venture in any form are not allowed. Also, bidders have to note that no sub-contracting / sub-letting are allowed.

Preparation of Financial Bids

- The Financial Bid / Effort Estimation shall be submitted in the prescribed format only based on the NICSI approved rates only.
- Rates quoted should be firm and fixed. No price variation and escalation will be allowed.
- The quotation shall be valid for entire contract period/completion of the Assignments.
- The bidders should satisfy themselves before submission of the bid to RECTPCL that they understand and satisfy each and every condition laid down in the bid document.
- Effort Estimation: The effort estimation shall include the following:
 - a. Cost of the software, customization, implementation & training.
 - b. Post Production Services are per the terms mentioned earlier in this document.
- The Price Offer (Effort Estimation) shall be for the assignment as per the Scope of work of Bid Document and shall remain FIRM throughout the period of contract. RECTPCL shall not pay and/or reimburse anything over and above the price quoted (Calculated based on Effort Estimation, NICSI approved rates). The RECTPCL reserves the right to ask the bidder to justify and establish price/rate reasonableness.

- Effort Estimation submitted by bidders with any deviation or any conditionality, the offer will be treated as incomplete and will be rejected.
- The Effort Estimation will be inclusive of all travel, stay, out of pocket expenses, cost of producing documents, etc. and RECTPCL will not pay and/or reimburse anything over and above the price quoted. Office accommodation, transport and daily movement of consultant, telephone, computer and other facilities shall be arranged by the agency at his/their own cost.

B. PRE - ELIGIBILITY CRITERIA:

All of the following criterion must be fulfilled by the bidder to be considered for technical evaluation of the bid/proposal:

1. Bidder should be empaneled with NICSI (Tier - III) category.
2. The bidder must have fully operational office/ Head Office/ Branch Office in Delhi/NCR.

C. BID OPENING AND EVALUATION OF PROPOSALS

Opening of Technical Proposal

The Technical Proposal will be opened in the presence of the authorized representatives of the agencies, who wish to be present. The Technical proposal would be opened on **22.09.2017 at 15:30 Hrs (IST)** in the presence of Bidder's representative who choose to be present.

Evaluation of Technical Proposal

Total Maximum 100 Marks

The bidder's relevant experience in the past five years (from Indian FY 2012-13 on-wards including the current Financial Year till date of issue of the tender) will be considered. Experience of the bidders would be evaluated on the following basis:

S.No.	Particular	Scoring Criteria
1.	<p>Experience of Assignments related to</p> <ul style="list-style-type: none"> • Development of Web Application • Development of IT Portal /IT projects <p>Minimum Assignment (in either of described category) completed to be considered for evaluation: two (2) with minimum 1 of them in government sector</p>	<p>Experience of Development of e-Office/ HRMS/ Project Management Application:</p> <p>The Web apps should have been implemented for Government of India, State Governments, International Donor Agencies like ADB, WB, DFID, IFC etc. Government of other countries, Public Sector Entities or private sector.</p> <p>For Government sector or international bodies' assignments:</p>

	<p>Note: Only successfully completed assignments shall be considered.</p>	<p>10 marks for each completed Web Application Project.</p> <p>For private sector assignments: 8 marks for each completed Web Application Project in private sector.</p> <p>Max of three assignments, maximum Marks: 30</p> <p>TOTAL MAX MARKS: 30 Marks</p>
2.	<p>Submission of the Proposed methodology and work plan pertaining to current assignment, prototypes along with presentation.</p>	<p>2a. Prototype: Bidder to submit wire frame of Admin Dashboard. The wire frames have to be in line with the requirements to demonstrate the understanding of the project requirements – 40 marks</p> <p>2b. Extent and depth of the organization’s grasp on the project requirements, expected challenges, along with Execution Plan– 30 marks</p> <p>TOTAL MAX MARKS: 70 Marks</p>

Note: The selected bidder has to deploy the manpower as per the actual requirement of the assignment so as to achieve all the time lines.

The bidders will be notified about the presentation date and time separately. After making technical presentation to RECTPCL, the Bidder obtaining **70 marks or more in total** would be regarded as technically qualified Bidder and considered for opening of “Financial Proposal”. RECTPCL may call for any clarifications/ information if required.

Opening of Financial Proposal (Effort Estimation)

“Financial Proposal (Effort Estimation)” would be opened only of the technically qualified bidders. The date and time of opening of Financial Proposal (Effort Estimation) would be intimated to the Bidders qualifying at Technical Evaluation stage separately. The Financial Proposal will be opened in the presence of the authorized representatives of the bidder’s, who wish to be present. Financial Proposal (Effort Estimation) of other bidders not technically qualified will not be opened.

Evaluation of Financial Proposal (Effort Estimation)

The assignment will be awarded to the technically qualified consultant whose price will be lowest based on the effort estimation submitted (calculated on the NICS approved rates).

Please note that the Conditional Financial Proposals will be rejected out rightly.

D. Liquidated damages (LD) for delay for completion of work

This shall be as per the NICS Terms & Conditions.

F. Deviation:

The bidder must comply with the Scope of work, all terms and conditions & milestone target for execution of work as per bid document. No deviation on the lower side in this regard shall be accepted. In case of any deviation, Bids shall be summarily rejected.

G. Bidders may be present in person or may send their authorized representative at the time of opening of bid as per schedule. No further intimation shall be given if there is no change in the schedule. It is expected that all bidder shall attend the opening of bids. However, bids shall be opened and decision shall be taken even in absence of representative if the bid opening is not attended.

H. RECTPCL reserves the right to reject any offer in full or in part. & award the work to one or more than one bidders, without assigning any reason thereof and without incurring any liability to the affected bidders for the action of RECTPCL.

i. In case it is decided to split the work to more than one agency at the lowest received rates, preference of work may be given to the agency which quoted the lowest rates in response to tender enquiry.

SECTION-III

GENERAL TERMS & CONDITIONS OF CONTRACT

1.0 Duration/ Period of Contract:

1.1 The contract period will be for 14 months from the date of the award of contract, 2 months for Development of Project Management, Monitoring & HRMS (Web Based) Application for RECTPCL and 12 Months Comprehensive Post Production Services period thereafter. In case duration of the contract is required to be extended for the reason beyond control of agency the same shall be done with mutual consent on same rates, terms & conditions at the sole discretion of RECTPCL.

2.0 Terms of Payment:

The payment to the Bidder for the performance of the works under the contract will be made by RECTPCL as per the guidelines and conditions specified herein. The final payment will be made on completion of all the works and on fulfillment by the agency obligations under the contract subject to acceptance by RECTPCL.

The payment will be made to successful Bidder after the award of work, in the following manner: -

- a) No advance payment shall be made.
- b) All Payments shall be made in Indian Rupees only as per the following schedule: -

Sl No	Milestone - Description of Work	% of Payment Milestone
1	Design, development, testing and successful deployment of Central Dashboard, All Mobile Apps, Integration with SMS/Email Gateway, User Manual and Training Material, Training, other deliverable mentioned in the proposal.	60 %
2	PPS Part 1: 03 Months of Comprehensive Post Production Services (PPS) as per the terms mentioned in the proposal.	10 %
3	PPS Part 2: 03 Months of Comprehensive Post Production Services (PPS) as per the terms mentioned in the proposal.	10%
4	PPS Part 3: 03 Months of Comprehensive Post Production Services (PPS) as per the terms mentioned in the proposal.	10%
5	PPS Part 4: 03 Months of Comprehensive Post Production Services (PPS) as per the terms mentioned in the proposal.	10%

Note:

A system will be considered "GO Live" as once it will achieve its full functionality, as described above, and is made live & functional.

3.0 Intellectual Property Rights.

The Intellectual Property Rights (IPR) of the developed software shall belong to RECTPCL.

4.0 Sub-contracting

Agencies to which work is awarded are not allowed to Sub-contract the work to any other parties either in part or full.

5.0 Quantity Variation/Split of work

RECTPCL reserves the right to increase or decrease the quantity of work, split of the work to Agencies or other terms and conditions at the sole discretion of the RECTPCL. Suitable Amendment/communications shall be issued in the event of variations in the quantities.

6.0 It will be imperative on each bidder to fully acquaint itself of all factors/activities which would have effect on the performance of the work and its cost.
