

Annexure-I Replies to the bidders queries asked during prebid meeting

Sl. No.	Reference (Section / Paragraph / Page)			Bidder query/Deviation proposed	Revised reply by RECPDCL	
	Tender Section	Clause No.	Page No.			
1	BDS/QUALIFYING REQUIREMENTS (QR)	1.1 General Conditions	BDS-5 of 8	Limited Liability Partnerships, Proprietorships, Partnerships, NGOs, Charitable Trusts, and Educational Societies are not allowed to participate in the bidding process (either individually or in Joint Venture/ Consortium).	Request you to kindly amend the following point and allow LLPs also participate in the tender. Further we are also in the process of shifting our company into pvt ltd company and if we are the successful bidder we will expedite the process and submit the required documents in 2 months of time.	LLPs will be allowed to participate in the tender, provided they meet all other technical and financial eligibility criteria specified in the tender.
2	BDS/QUALIFYING REQUIREMENTS (QR)	1.2 TECHNICAL ELIGIBILITY CONDITIONS	BDS-5 of 8	Here Similar Works means – Design, Supply, Installation and commissioning of Ground mounted Grid Connected Solar Photovoltaic system.	We have executed the projects ranging in various capacities and have commissioned 36 MW solar PV plants. Request you to kindly consider experience of roof top solar projects as well.	The term "Similar works" modified as below: Similar Works refers to the design, supply, installation, and commissioning of ground-mounted or rooftop grid-connected solar photovoltaic systems. Additionally, if the bidder meets the qualification requirements using rooftop experience, they must have commissioned at least one ground-mounted solar PV project with a capacity of not less than 100 kWp (one hundred kWp). These solar PV power plants must have been in satisfactory operation for at least two (02) months prior to the last date of bid submission.
3	BDS/QUALIFYING REQUIREMENTS (QR)	1.2 TECHNICAL ELIGIBILITY CONDITIONS	BDS-5 of 8	It is specified that bidders should have completed similar works of Ground-mounted Grid Connected Solar Photovoltaic systems.	We would like to confirm that we have successfully completed a lot of Solar Power plant installations which include both the rooftop and the ground-mounted plants in single order as the plant is installed in the same campus. In light of this, we kindly request an amendment to the tender eligibility criteria to include rooftop installations under "similar work." Such an amendment would allow us to participate and contribute to this tender	The term "Similar works" modified as below: Similar Works refers to the design, supply, installation, and commissioning of ground-mounted or rooftop grid-connected solar photovoltaic systems. Additionally, if the bidder meets the qualification requirements using rooftop experience, they must have commissioned at least one ground-mounted solar PV project with a capacity of not less than 100 kWp (one hundred kWp). These solar PV power plants must have been in satisfactory operation for at least two (02) months prior to the last date of bid submission.
4	BDS/QUALIFYING REQUIREMENTS (QR)	1.2 TECHNICAL ELIGIBILITY CONDITIONS	BDS-5 of 8	Bidders can participate meeting Technical Eligibility criteria as mentioned below: IA. Experience of having successfully completed similar works during last 7 years ending last day of month previous to the one in which / bids are invited should be either of the following: 1.Three similar completed works with capacity of at least 400 kW(AC) each. or 2.Two similar completed works with capacity of at least 500 kW(AC) each or 3. One similar completed work with capacity of at least 800 kW(AC).	Technical eligibility criterion may please be relaxed to "cumulative capacity" of 800 kw work done.	The term "Similar works" modified as below: Similar Works refers to the design, supply, installation, and commissioning of ground-mounted or rooftop grid-connected solar photovoltaic systems. Additionally, if the bidder meets the qualification requirements using rooftop experience, they must have commissioned at least one ground-mounted solar PV project with a capacity of not less than 100 kWp (one hundred kWp). These solar PV power plants must have been in satisfactory operation for at least two (02) months prior to the last date of bid submission.
5	BDS/QUALIFYING REQUIREMENTS (QR)	1.1 General Conditions	BDS-5 of 8	The Bid Processing Fees and EMD are exempted for MSME bidders registered under NSIC/ DIC/ Udyog Aadhaar Category only	Bid processing fees and EMD may please be exempted for MSME bidders.	Already exempted. Please refer to Section 1.1 of the General Conditions.
6	BDS/QUALIFYING REQUIREMENTS (QR)	1.3 FINANCIAL ELIGIBILITY CONDITIONS	BDS-6 of 8	The Minimum Average Annual Turnover (MAAT) of the bidder in the last three financial years (i.e. FY 2021-22, 2022-23 & 2023-24) should be INR 4,20,00,000/- (Indian Rupees Four Crore Twenty Lakh only). MAAT shall mean Revenue from Operations as incorporated in the profit & loss account excluding other income, e.g. sale of fixed assets. A summarized sheet of average turnover, certified by a practicing Chartered Accountant/Statutory Auditor should be compulsorily enclosed along with corresponding annual accounts. AND The net worth for the last financial year should be positive. "Net Worth" of the Bidder shall be calculated as per the Companies Act, 2013.	Financial eligibility criterion may please be reduced to 3.5 crore average annual turnover.	Tender conditions prevail
