

REC TRANSMISSION PROJECTS COMPANY LTD.

GLOBAL INVITATION (Through e-bidding Only)

FOR SELECTION OF TRANSMISSION SERVICE PROVIDER ON BUILD, OWN, OPERATE AND MAINTAIN (BOOM) BASIS FOR TRANSMISSION SYSTEM STRENGTHENING SCHEME FOR EVACUATION OF POWER FROM SOLAR ENERGY ZONES IN RAJASTHAN (8.1 GW) UNDER PHASE II-PART A

REC Transmission Projects Company Limited (RECTPCL), New Delhi, India (a wholly owned subsidiary of REC Limited, a Navratna Central Public Sector Enterprise), through single stage two envelope process of "Request for Proposal (RFP)", had earlier invited responses for selection of Transmission Service Provider for seven (7) Inter-State Transmission Projects. The sale of RFP commenced on 05.03.2020. However, due to reduction in Qualification Requirement of one (1) Transmission Project namely, "Transmission system strengthening scheme for evacuation of power from solar energy zones in Rajasthan (8.1 GW) under Phase II-Part A", the bidding process for the project is hereby annulled.

Accordingly, now RECTPCL invites proposal for setting up of the above transmission project on Build, Own, Operate and Maintain (BOOM) basis following single stage two envelope process of "Request for Proposal (RFP)" with revised Qualification criteria. Interested Bidders may refer to the Request for Proposal (RFP) notification and revised RFP Document available on our website www.rectpcl.in & www.recindia.nic.in w.e.f 11.05.2020 for more details.

Bidders should regularly visit website to keep themselves updated. Further, the bidders who have purchased the RFP Document for the above mentioned project need not to purchase the RFP Document again and are eligible to participate in the bidding process with revised Qualification criteria.
