

Sl.No.	Reference Clause or Pg. No.	Bidder's Query	Clause Quoted/ Referred by Bidder as per RfE	Clarification to Bidder	Nature of Comments
1	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY A) Clause 2.2 Pg. No. 53	The Bidder should own/ lease Total Station/ DGPS and shall be required to submit the Calibration Certificate of the Total Station/ DGPS from an NABL accredited/ certified lab.	The Bidder should own/ Total Station/ DGPS and shall be required to submit the Calibration Certificate of the Total Station/ DGPS from an NABL accredited/ certified lab.	The Bidder should own/ lease Total Station/ DGPS and shall be required to submit the Calibration Certificate of the Total Station/ DGPS from an NABL accredited/ certified lab.	Conditions of RE attached at Pg. No. 53 (Clause 2.2) stands amended
2	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY C) Clause 6.2 Pg. No. 58	The Bidder should own/ lease Multibeam Echosounder/ Single beam Echosounder & DGPS and shall be required to submit the Calibration Certificate of the Multibeam Echosounder/ Single beam Echosounder & DGPS from the NABL accredited/ certified lab.	The Bidder should own/ Multibeam Echosounder/ Single beam Echosounder & DGPS and shall be required to submit the Calibration Certificate of the Multibeam Echosounder/ Single beam Echosounder & DGPS from the NABL accredited/ certified lab.	The Bidder should own/ lease Multibeam Echosounder/ Single beam Echosounder & DGPS and shall be required to submit the Calibration Certificate of the Multibeam Echosounder/ Single beam Echosounder & DGPS from the NABL accredited/ certified lab.	Conditions of RE attached at Pg. No. 58 (Clause 6.2) stands amended
3	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY A) Clause 2.3 Pg. No. 53	The Bidder should have rendered satisfactory services and should have experience of successfully executed ongoing contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topography Survey/ DGPS Survey/ GPR Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topography Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topography Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	Conditions of RE attached at Pg. No. 53 (Clause 2.3) shall Prevail
4	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY B) Clause 4.4 Pg. No. 56	The Bidder should have rendered satisfactory services and should have experience of successfully executed ongoing contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Aerial Survey/ Topography Survey/ DGPS survey/ GPR Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Aerial Survey/ Topography Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Aerial Survey/ Topography Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	Conditions of RE attached at Pg. No. 56 (Clause 4.4) shall Prevail
5	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY C) Clause 6.2 Pg. No. 58	The Bidder should have rendered satisfactory services and experience of successfully executed ongoing contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topographic & Hydrographic Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topographic & Hydrographic Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topographic & Hydrographic Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	Conditions of RE attached at Pg. No. 58 (Clause 6.3) shall Prevail
6	GENERAL ELIGIBILITY CRITERIA FOR CATEGORY A, B, AND C Clause 1.3 Pg. No. 52	Bids by Consortium/ JV are allowed for participation under this RE.	Bids by Consortium/ JV are not allowed for participation under this RE.	Bids by Consortium/ JV are allowed for participation under this RE.	Conditions of RE attached at Pg. No. 52 (Clause 1.3) stands amended
7	GENERAL ELIGIBILITY CRITERIA FOR CATEGORY A, B, AND C Clause 1.3 Pg. No. 52	Kindly permit Registered Partnership Firms to participate in this RE.	Proprietorships, Partnerships and NGOs are not eligible for participation in this RE.	Bids by Registered Partnership Firms are allowed for participation under this RE.	Conditions of RE attached at Pg. No. 52 (Clause 1.3) stands amended
8	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY A) Clause 2.3 & TECHNICAL ELIGIBILITY CRITERIA (CATEGORY C) Clause 6.3 & Clause 6.3.1 Pg. No. 58	We have successfully executed a single work order comprising both Topographic Survey and Hydrographic/ Bathymetric Survey under the same contract/ work order. Since the executed work includes the complete scope of Topographic Survey as well as Hydrographic Survey, we request clarification whether the same single work order may be submitted and considered as qualifying experience for both Category A and Category C, provided the work order/ completion certificate clearly establishes the execution of both Topographic and Hydrographic Survey components and satisfies the respective minimum work-order value requirements.	•The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topography Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs. •The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topographic & Hydrographic Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs.	Allowed if meeting the following criteria (Clause 2.3.1 & Clause 6.3.1). The bidder must have successfully completed: •at least one similar work order of ₹64 lakh or more, OR •at least two similar work orders, each of ₹40 lakh or more. Along with satisfying Clause 2.3 & Clause 6.3	Conditions of RE attached at Pg. No. 53 (Clause 2.3 & Clause 2.3.1) & Pg. No. 58 (Clause 6.3 & Clause 6.3.1) shall Prevail
9	Section -V: Sample Forms & Formats for Bid Submission	The RE does not specify the minimum quantity of equipment required under each category. Kindly clarify the number of equipment required for Category A, B and C. The RE does not specify any format for submitting equipment details and for providing similar work/project experience details. Kindly provide the prescribed format, if any, for submission of equipment details and similar work experience.	Annexure-X: Format for Submission of Equipment, Instruments, Software and Technical Resources Annexure-Y: Format for Submission of Similar Work / Project Experience		Annexure-X and Annexure-Y to be submitted by Bidders
10	FINANCIAL ELIGIBILITY CRITERIA (CATEGORY A) Clause 3.1 Pg 54 FINANCIAL ELIGIBILITY CRITERIA (CATEGORY B) Clause 5.1 Pg 57 FINANCIAL ELIGIBILITY CRITERIA (CATEGORY C) Clause 7.1 Pg 59	Our company was incorporated in August 2024 and does not have three completed financial years of audited accounts but we have two such statements (i.e. 24-25 (audited) and 25-26 (provisional statement)), our average turnover for the available audited financial years exceeds the prescribed MAAT requirement. Kindly clarify whether such bidders will be considered eligible based on the available audited financial statements.	The Minimum Average Annual Turnover (MAAT) of the bidder in the last three financial years (i.e. FY 2023-24, 2024-25 & 2025-26) should be INR 56 ,00,000 (Indian Rupees Fifty Six Lakh only).	The Average Turnover of the last three financial years should be INR 56 ,00,000.	Conditions of RE attached at Pg. No. 54 (Clause 3.1), Pg. No. 57 (Clause 5.1) & Pg. No. 59 (Clause 7.1) shall Prevail
11	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY A) Clause 2.1 Pg 53 TECHNICAL ELIGIBILITY CRITERIA (CATEGORY B) Clause 4.1 Pg 56 TECHNICAL ELIGIBILITY CRITERIA (CATEGORY C) Clause 6.1 Pg 58	We respectfully seek clarification regarding the consideration of experience for wholly owned subsidiaries. Our parent company has been successfully operating for over 19 years, while the Indian subsidiary was incorporated in August 2024.	The Bidder should be in the field of providing similar works for not less than 03 Years as on last date of bid submission.	The Subsidiary Company should be in the field of providing similar works for not less than 03 Years as on last date of bid submission. The subsidiary of a foreign company, which is registered in India under Companies Act, 1956 or 2013 prior to the bid submission deadline, is eligible to participate.	Conditions of RE attached at Pg. No 52 (Clause 1.1), Pg. No. 53 (Clause 2.1), Pg. No. 56 (Clause 4.1) & Pg. No. 58 (Clause 6.1) shall Prevail
12	FINANCIAL ELIGIBILITY CRITERIA (CATEGORY A) Clause 3.1 Pg 54 FINANCIAL ELIGIBILITY CRITERIA (CATEGORY B) Clause 5.1 Pg 57 FINANCIAL ELIGIBILITY CRITERIA (CATEGORY C) Clause 7.1 Pg 59	We request that bidders possessing valid DGCA certification/authorisation for UAV operations/RPTO-related activities, along with demonstrated UAV survey capability, may kindly be permitted to participate with a reduced MAAT requirement of ₹43 lakh for MSME Registered Bidders. Further, such relaxation may be made applicable where the bidder also possesses: •Minimum 8 UN-registered drones/UAVs in the bidder's name; •Minimum 8 RPC-qualified pilots/operators available with the bidder; •Valid registration/empowerment or demonstrated work experience with a Central/State Government organisation/PSU for Remote Pilot training / Drone Services Project; and •Relevant experience in UAV/Aerial/LiDAR/Topographical Survey.	The Minimum Average Annual Turnover (MAAT) of the bidder in the last three financial years (i.e. FY 2023-24, 2024-25 & 2025-26) should be INR 56 ,00,000 (Indian Rupees Fifty Six Lakh only).	MSME exemption is allowed for turnover subject to production of valid MSME Certificate.	Conditions of RE attached at Pg. No. 54 (Clause 3.1), Pg. No. 57 (Clause 5.1) & Pg. No. 59 (Clause 7.1) shall Prevail
14	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY A) Clause 2.3 Pg 54 TECHNICAL ELIGIBILITY CRITERIA (CATEGORY B) Clause 4.4 Pg 56 TECHNICAL ELIGIBILITY CRITERIA (CATEGORY C) Clause 6.3 Pg 58	For specialised DGCA-compliant UAV/LiDAR agencies, we request that the above monetary threshold may kindly be rationalised and: One successfully completed similar work order in the respective category, irrespective of its monetary value, may be accepted as qualifying experience, subject to submission of satisfactory completion/performance certification from the client.	The RE requires the bidder to have successfully completed: •at least one similar work order of ₹64 lakh or more, OR •at least two similar work orders, each of ₹40 lakh or more. This requirement appears under the relevant technical eligibility provisions.	The monetary values stipulated below shall be considered essential qualification requirements, and non-compliance with these requirements may render the bidder ineligible for qualification. The bidder should have successfully completed at least one single similar work order of value of INR 64,00,000 (Indian Rupees Sixty-Four Lakh only) or more during any of the last 07 (Seven) years. Or The bidder should have successfully completed at least two similar work orders, each of value of INR 40,00,000 (Indian Rupees Forty Lakh only) or more during any of the last 07 (Seven) years.	Conditions of RE attached at Pg. No. 54 (Clause 2.3), Pg. No. 56 (Clause 4.4) & Pg. No. 58 (Clause 6.3) shall Prevail
13		For UAV/LiDAR-related categories, it is requested that a bidder having: 1.Minimum 8 drones/UAVs with valid UINs registered in the bidder's name, and 2.Minimum 8 RPC-qualified pilots/operators available with the bidder, may be considered to have adequate UAV fleet and manpower capability.	The Agency shall obtain all requisite approvals, permissions, clearances, licenses, and authorizations from DGCA, Digital Sky, and any other competent authority, including defence, security, aviation as required for execution of the work at its own risk and cost.	The Agency shall obtain all requisite approvals, permissions, clearances, licenses, and authorizations from DGCA, Digital Sky, and any other competent authority, including defence, security, aviation as required for execution of the work at its own risk and cost.	
15	UAV Operations, Regulatory Clearances and Alternate Survey Methodology Pg. No. 17, Section-II, Clause 2.D.i TECHNICAL ELIGIBILITY CRITERIA (CATEGORY B) Pg. No. 56, Section-IV, Clause 4.2 & 4.3	Where the bidder is a DGCA-compliant UAV organisation and has experienced RPC-qualified pilots/operators, it is requested that the experience and credentials of such pilots/operators may also be considered while assessing the bidder's technical capability. The bidder may be required to furnish: •RPC details; •Pilot experience; •Number and type of UAV missions undertaken; •Relevant survey experience and; •Documentary evidence of association/employment with the bidder.	The drone/ UAV operator(s) should have necessary qualification/ license for flying issued by competent authority in India. Submission of documentary proof of the credentials is required while bidding. The Bidder/Agency shall adhere to the drone rules notified by Ministry of Civil Aviation (like Drone Rules 2021 and sundry) while carrying out the job. Copies of all statutory licences and permissions shall be furnished along with the bids.	The drone/ UAV operator(s) should have necessary qualification/ license for flying issued by competent authority in India. Submission of documentary proof of the credentials is required while bidding. The Bidder/Agency shall adhere to the drone rules notified by Ministry of Civil Aviation (like Drone Rules 2021 and sundry) while carrying out the job. Copies of all statutory licences and permissions shall be furnished along with the bids.	Conditions of RE attached at Pg. No. 17 (Section-II, Clause 2.D.i) & Pg. No. 56 (Section-IV, Clause 4.2 & 4.3) shall Prevail
16		It is requested that bidders having valid DGCA certified RPTO and registration/empowerment/vendor registration with a Central Government Department, State Government Department, PSU or Government organisation, particularly for UAV, Survey, LiDAR, GIS or related services, may be recognised as an additional technical credential.			

17	TECHNICAL ELIGIBILITY CRITERIA (CATEGORY A) Clause 2.3 Pg 54	We have successfully executed Topographic Surveys involving DGPS + Total Station and LIDAR/UAV, along with Hydrographic Surveys, as part of various sector projects including Roads, Infrastructure and Water Sector projects. In such projects, Topographic Survey was an integral component of the overall scope of work covered under the respective work orders and completion certificates. Kindly confirm whether such experience shall be considered as "Similar Works" for meeting the eligibility criteria specified under Clause 2.3, Section IV.	The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Topography Survey to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs. The bidder should have successfully completed at least one single similar work order of value of INR 64,00,000 (Indian Rupees Sixty-Four Lakh only) or more during any of the last 07 (Seven) years. Or The bidder should have successfully completed at least two similar work orders, each of value of INR 40,00,000 (Indian Rupees Forty Lakh only) or more during any of the last 07 (Seven) years.	Allowed, if meeting the following: A) Similar Works means successfully executed Topographic Surveys involving DGPS + Total Station/ LIDAR/UAV/ Hydrographic Surveys in any of the last 07 (Seven) years. These services must be rendered to the Govt./ Autonomous Bodies/ PSUs/ JVCs of PSUs/ Private organizations/ Companies/ Institutes/ MNCs. B) The bidder should have successfully completed at least one single similar work order of value of INR 64,00,000 (Indian Rupees Sixty-Four Lakh only) or more during any of the last 07 (Seven) years. Or The bidder should have successfully completed at least two similar work orders, each of value of INR 40,00,000 (Indian Rupees Forty Lakh only) or more during any of the last 07 (Seven) years. Empanchment shall be awarded only upon the Evaluation Committee of RECPDCL being satisfied, through the documents submitted by the bidder, of the bidder's competence and capability to execute survey activities and prepare the Detailed Project Report (DPR).	Conditions of RfE attached at Pg. No. 54 (Clause 2.3) shall Prevail
